How to...

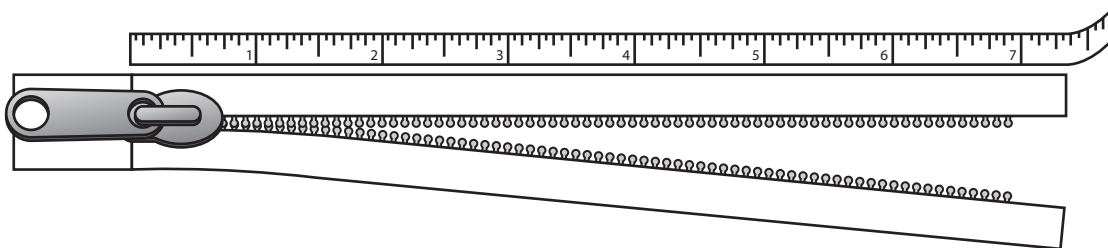

Zippers

Tools/Supplies Needed:

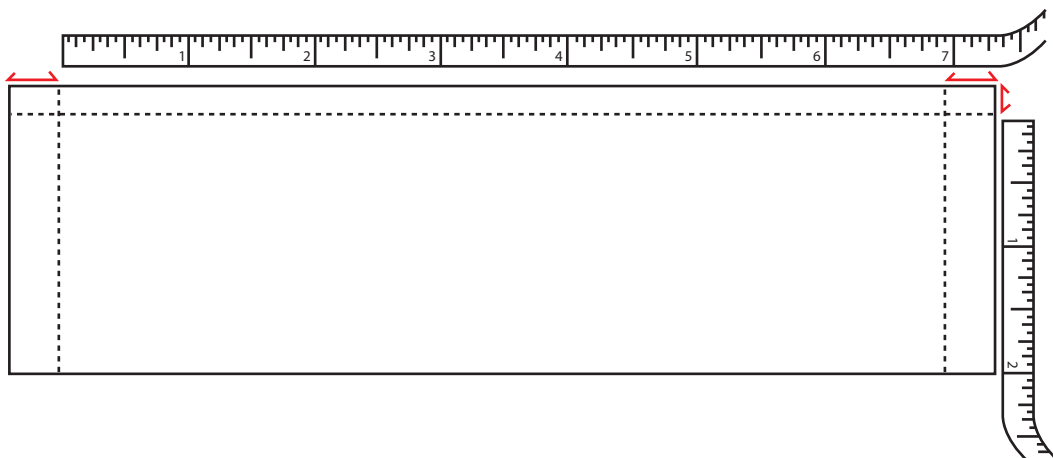

- Scissors
- Ruler/Measuring tape
- Pencil
- Needle and thread / sewing machine
- Iron
- Pins

Instructions:

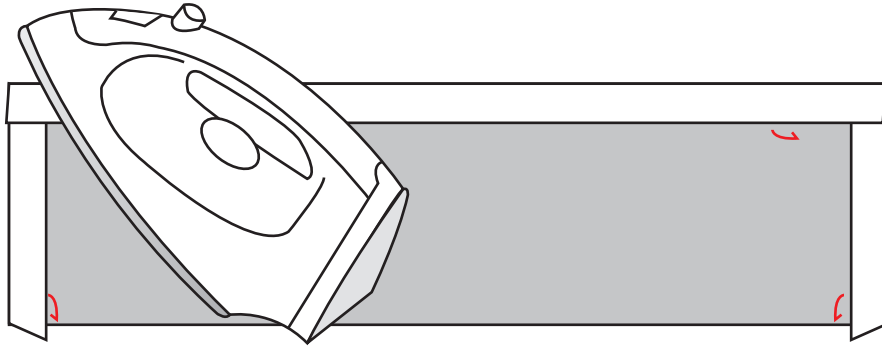

1. Measure the length of your zipper, from top of zipper to the tab.

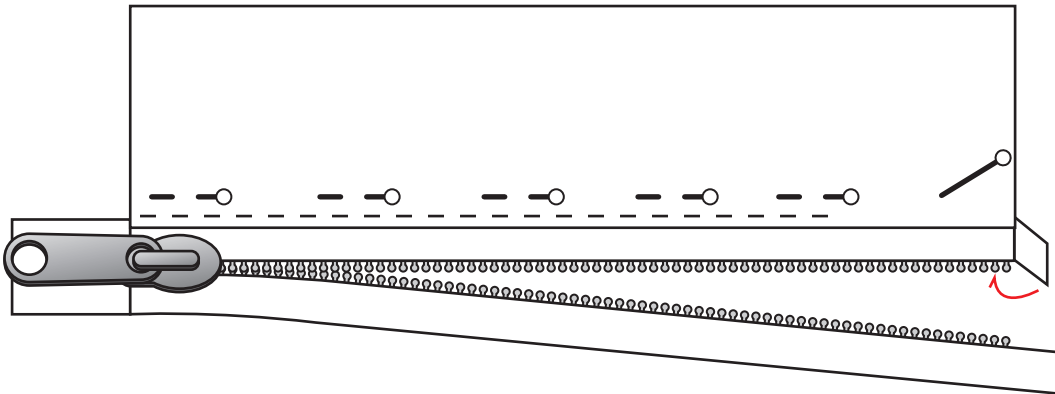

2. Cut your fabric a little larger than measured amount.

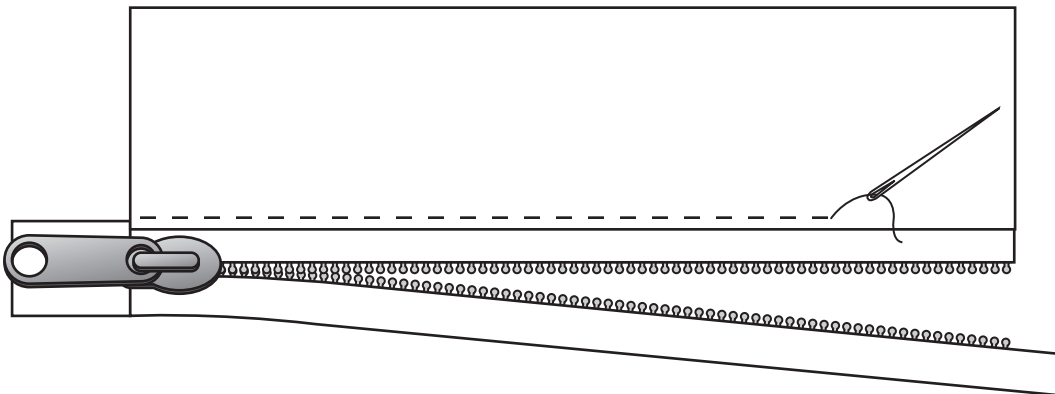

3. Press excess fabric under on wrong side.

4. Pin your fabric to zipper and turn under excess zipper tape.

5. Sew fabric to zipper.

6. Repeat steps 2-5 on other side of zipper.
